

InkQuest – Joke Book

A Spark & Anvil joke book. Groan-worthy puns, tricky riddles, silly nonsense, and real fun facts from the world of InkQuest – read them out loud and make someone laugh.

Why did the journalist bring a ladder to the interview?

They wanted to get the story from a higher source!

How to use this book

Read a joke, pause at the question, and try to guess the answer before you read on. Best of all: read them out loud to a friend, a grown-up, or your class. A good laugh makes the tricky stuff easier – that's real science.

Spark & Anvil is a 501(c)(3) public charity. Every app, story, and book is free, forever – no ads, no in-app purchases, no tracking. Released under Creative Commons BY-NC-SA 4.0 for educational reuse.

Puns

Why did the journalist bring a ladder to the interview?

💡 They wanted to get the story from a higher source!

What do you call a newspaper that tells jokes?

💡 A pun-lication!

Why was the data set so sad?

💡 It had too many outliers and nobody included it!

What did the headline say to the article?

💡 "I'm on top of things!"

Why did the bar chart go to the doctor?

💡 It had too many breaks in its columns!

What's a journalist's favorite type of dog?

💡 A news-hound!

Why did the scatter plot break up with the line graph?

💡 There was no clear connection between them!

What did the editor say to the run-on sentence?

💡 "You need to stop -- period!"

Why was the pie chart always invited to parties?

💡 It knew how to divide things evenly!

What do you call a journalist who works at a bakery?

💡 A bread-line reporter!

Why did the biased article fail its exam?

💡 It could only see one side of the story!

What did the data say when it was organized?

💡 "I'm finally in my column!"

Why did the reporter sit on the clock?

💡 They wanted to be on deadline!

What's a statistician's favorite candy?

💡 A correlation bar!

Why did the primary source feel special?

💡 Because it was one of a kind -- unlike those secondhand sources!

What did the mean say to the data set?

💡 "I'm just your average friend!"

Why don't journalists ever get lost?

💡 They always follow their leads!

What do you call an article with no facts?

💡 A work of fiction in the wrong section!

Why did the spreadsheet go to therapy?

💡 It had too many issues in every cell!

What did the byline say?

💡 "Give credit where credit is due -- and that's me!"

Keep laughing
