

PixelForge – Joke Book

A Spark & Anvil joke book. Groan-worthy puns, tricky riddles, silly nonsense, and real fun facts from the world of PixelForge – read them out loud and make someone laugh.

Why did the pixel go to the doctor?

It was feeling a bit washed out!

How to use this book

Read a joke, pause at the question, and try to guess the answer before you read on. Best of all: read them out loud to a friend, a grown-up, or your class. A good laugh makes the tricky stuff easier – that's real science.

Spark & Anvil is a 501(c)(3) public charity. Every app, story, and book is free, forever – no ads, no in-app purchases, no tracking. Released under Creative Commons BY-NC-SA 4.0 for educational reuse.

Puns

Why did the pixel go to the doctor?

💡 It was feeling a bit washed out!

What did red say to blue?

💡 "We should really get together -- we'd make a great purple!"

Why did the color wheel feel dizzy?

💡 It kept going around in circles!

What's an artist's favorite swimming stroke?

💡 The brushstroke!

Why did the artist break up with their canvas?

💡 It was too much of a stretch!

What do you call a color that's always bragging?

💡 A hue-ge show-off!

Why did the complementary colors always argue?

💡 Because they were on opposite sides of everything!

What did the warm colors say at the campfire?

💡 "We're in our element!"

Why was the art portfolio so proud?

💡 It had a lot of character -- and characters!

What did the grid say to the freehand artist?

💡 "You really need to get in line!"

Why do artists love the golden ratio?

💡 Because it's always in perfect proportion!

What did the symmetrical painting say?

💡 "I'm balanced, thank you very much!"

Why was the monochromatic painting so mellow?

💡 It was only in one mood!

What did the saturation slider say when maxed out?

💡 "I'm living life to the fullest!"

Why did the analogous colors hang out together?

💡 Because they were always on the same side of the wheel!

What did the negative space say?

💡 "I may be empty, but I'm still important!"

Why was the triadic color scheme so popular at parties?

💡 It always brought three times the fun!

What's a pixel artist's favorite type of math?

💡 Grid-ometry!

Why did the value scale feel gray about everything?

💡 It saw the world in shades!

What did the palette say when it ran out of paint?

💡 "I'm drawing a blank!"
