How to use this book

Read a joke, pause at the question, and try to guess the answer before you read on. Best of all: read them out loud to a friend, a grown-up, or your class. A good laugh makes the tricky stuff easier – that's real science.

Puns

Why did the riddle go to therapy?

💡 It had too many unresolved issues!

What did the brain teaser say at the gym?

💡 "I really need to exercise my mind!"

Why was the puzzle piece so popular?

💡 It always fit right in!

What did the locked dungeon door say?

💡 "You won't get past me without the right key -- word!"

Why did the logic puzzle break up with the riddle?

💡 There was no logical reason -- it just didn't make sense!

What do you call a kingdom made entirely of brain teasers?

💡 A realm of con-fuse-ion!

Why was the lateral thinking puzzle always lost?

💡 It kept going sideways!

What did the hint say to the riddle solver?

💡 "I'm just here to point you in the right direction!"

Why did the answer hide from the riddle?

💡 It didn't want to give itself away!

What do you call a riddle that's impossible to solve?

💡 An enigma wrapped in a mystery -- and probably wrapped in more mystery!

Why did the word puzzle win the talent show?

💡 It had all the right letters of recommendation!

What did the king of the puzzle kingdom say?

💡 "My rule is simple: solve or be puzzled forever!"

Why was the number pattern always stressed?

💡 It had too much pressure to be in sequence!

What did the maze say to the person trying to solve it?

💡 "Don't worry, you'll find a way -- eventually!"

Why did the cryptic clue feel misunderstood?

💡 Nobody ever took it at face value!

What do you call a riddle master who bakes?

💡 Someone who makes brain muffins -- they're always a tough batch!

Why did the paradox refuse to leave?

💡 Because it was both here AND not here at the same time!

What did one riddle say to the other?

💡 "We should hang out -- we have so much in common, but nobody can figure us out!"

Why did the treasure chest at the end of the dungeon feel empty?

💡 Because the real treasure was the riddles solved along the way!

What's a puzzle creator's favorite music?

💡 Something with a good twist!
