

Reactquest — Reflection Journal

This is your space to think on paper. Reflection is how you author your own story — there are no right answers and nothing here is graded or shared. Use it however is useful to you.

Before you close this

What's one thing you're working out about yourself right now? Not a conclusion — just where your thinking is today.

A note for grown-ups. This journal is just a gentle, private space to notice feelings — nothing here is graded, scored, or shared, and there are no wrong answers. If something a young person writes about feels too big to hold alone, it always helps to talk with a trusted grown-up. In the US you can also call or text **988** (the Suicide & Crisis Lifeline) or text **HOME to 741741** (Crisis Text Line), anytime.
