

BioForge — Concept Poster

Print this and pin it up — an at-a-glance map of the BioForge cast and the ideas each one carries. Come back to it whenever you want to remember who teaches what.

Spark & Anvil is a 501(c)(3) public charity. Every app, story, and book is free, forever — no ads, no in-app purchases, no tracking. Released under Creative Commons BY-NC-SA 4.0 for educational reuse.

Meet the cast — and what each one teaches

Character	What they carry
Pump	Cardiovascular (heart, blood, vessels)
Bellows	Respiratory (lungs, oxygen exchange)
Sprout	Digestive (stomach, intestines, nutrients)
Flicker	Nervous (brain, signals, reflexes)
Strand	Muscular (contraction, movement)
Beam	Skeletal (bones, levers, support)
Ward	The immune system: recognizes what does not belong, sends defenders to fight germs, and remembers each one for next time.
Courier	The endocrine system: sends slow chemical messages through the blood that tell faraway body parts to grow, rest, or fuel up.
Mantle	The skin: a living wall that keeps the outside out, holds your warmth, feels the world by touch, and heals itself.
Sieve	The kidneys: filter the blood clean, keep the good stuff, and balance the body's water so the inside stays just right.

Key ideas at a glance

The big concepts this cast helps you master:

- Cell Structure & Function
- Cell Processes
- Human Body Systems
- Reproduction & Growth
- Ecosystems & Food Webs
- Biodiversity & Adaptation
- Genetics & Heredity

- Evolution & Natural Selection
 - Human Biology
 - Life Science
-
