## Meet the cast — and what each one teaches

| Character     | What they carry                                                                                                                                                                   |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Crawl</b>  | Surface-walking observation — soft mint-green snail-kid with cream shell-swirl + tiny lantern + magnifying-bead; crawls slowly across screens; trail of footprint-dots            |
| <b>Wiggle</b> | Hidden-discovery observation — plump glossy-russet earthworm-tween in soft-yellow safety vest; head + tail-tip visible above soil-line; ? sparkles around discoveries             |
| <b>Peek</b>   | Partial-view observation — soft cream-and-warm-brown sparrow-tween in tiny moss-green hood; always half-hidden behind chunky leaf or flower; one round eye + one wing-tip visible |
