

CountingPals — Concept Poster

Print this and pin it up — an at-a-glance map of the CountingPals cast and the ideas each one carries. Come back to it whenever you want to remember who teaches what.

Spark & Anvil is a 501(c)(3) public charity. Every app, story, and book is free, forever — no ads, no in-app purchases, no tracking. Released under Creative Commons BY-NC-SA 4.0 for educational reuse.

Meet the cast — and what each one teaches

Character	What they carry
Tappa	One-to-one correspondence — soft russet squirrel-kid who taps each item as she counts; trail of glowing number-dots above each tapped item
Hop	Same-sized jumps / early addition seed — cream-and-grey rabbit-kid whose hops are always exactly the same length; visible dotted-line jump-arcs as equal arcs
Pile	Grouping + same-vs-different — plump warm-amber hedgehog-kid who scoops + groups + piles things into matching bunches; tidy piles of 3s + 4s + 5s on color-coded sorting-mat
