Meet the cast — and what each one teaches

Character	What they carry
Coin	Currency + exchange — what money is, what it does, what it can't measure
Tag	Percentage + markup — the transparent math of how prices are built
Grow	Compound interest — patient math of money over time
Plan	Budget allocation + opportunity cost — the math of choosing with limited resources
Tilt	Risk + variability — the math of uncertain outcomes, distributions over destinies
Due	Borrowing and debt — money owed carries a cost; what does it really cost to borrow?
Earn	Income — money comes from the value of work; earning before spending
Give	Generosity — giving is part of a budget; deciding what to share
Nest	Saving — setting money aside toward a goal, a little at a time
Wary	Money safety — spotting scams and keeping your money safe
