Meet the cast — and what each one teaches

Character	What they carry
Roami	Plan + debug (hero) — a fox who plans a path then fixes it when a step goes wrong; planning-and-fixing IS computational thinking
Steppa	Single-step sequencing — a heron who takes exactly one step per command; one command, one move
Twirl	Directionality — an owl who turns left or right to face a new way
Loopy	Repetition / loops — a cricket who repeats a step-group; the repeat IS a loop
