

SafetyForge — Concept Poster

Print this and pin it up — an at-a-glance map of the SafetyForge cast and the ideas each one carries. Come back to it whenever you want to remember who teaches what.

Spark & Anvil is a 501(c)(3) public charity. Every app, story, and book is free, forever — no ads, no in-app purchases, no tracking. Released under Creative Commons BY-NC-SA 4.0 for educational reuse.

Meet the cast — and what each one teaches

Character	What they carry
Pause	Pause-before-clicking — the moment between stimulus and response is where safety lives
Sniff	Pattern-spotting in scams + phishing — every scam has a tell; puzzle-game register not disaster-prevention drill
Stand	Bystander-action + kindness-online — three moves (defend / distract / document-and-tell); trauma-informed framing
Trace	Digital-footprint awareness — what stays after you tap; future-self-awareness; visible chalk-trail behind otter-tween
Tell	Help-seeking from a trusted adult — telling is the most powerful safety move; sparrow-tween with 'told-a-grown-up' badge
Bolster	Responding to online unkindness — 'Answer meanness with steadiness.'
Breather	Digital balance — knowing when to step away — 'Screens off. Look up.'
Clasp	Strong passwords + account protection — 'A good lock keeps strangers out.'
Warren	Privacy settings + the share-circle — 'Decide who is inside the fence.'
Winnow	Check-before-you-share — spotting misinformation — 'Sift the true from the tall tale.'

Key ideas at a glance
