

Sumpals — Concept Poster

Print this and pin it up — an at-a-glance map of the Sumpals cast and the ideas each one carries. Come back to it whenever you want to remember who teaches what.

Spark & Anvil is a 501(c)(3) public charity. Every app, story, and book is free, forever — no ads, no in-app purchases, no tracking. Released under Creative Commons BY-NC-SA 4.0 for educational reuse.

Meet the cast — and what each one teaches

Character	What they carry
Sumi	Add & subtract (counting on / back) — a warm acorn-orange squirrel kid who hops forward and back along a number line to add and take away; dotted jump-arcs mark each equal hop
Pippa	Number bonds / fact families (part-part-whole) — a soft cream-and-grey rabbit kid who splits a pile into two parts and joins them back; two little baskets and one whole basket beside her
Tenny	Place value (tens & ones) — a friendly many-segmented centipede kid whose ten body-segments bundle into a ten-rod and unbundle into ones; a tidy ten-rod and loose unit-cubes beside her
Zippy	Fact fluency (anti-shame) — a quick bright hummingbird kid who recalls a fact in a snap and helps you practice till it pops; a gentle glow, never a timer or a buzzer
