

Teachtales — Concept Poster

Print this and pin it up — an at-a-glance map of the Teachtales cast and the ideas each one carries. Come back to it whenever you want to remember who teaches what.

Spark & Anvil is a 501(c)(3) public charity. Every app, story, and book is free, forever — no ads, no in-app purchases, no tracking. Released under Creative Commons BY-NC-SA 4.0 for educational reuse.

Meet the cast — and what each one teaches

Character	What they carry
Mentora	Academy host + teaching coach (the only authored character) — her defining act IS the ask-first (Socratic) teaching method; she models good teaching by asking guiding questions, never telling (R-CASTDIALOG-ASKS-QUESTIONS embodied). Deliberately NOT 'Socra' (real-historical-figure names forbidden).
Halver	Reused novice — partitioning / halving (from FractionForge); the seed Teaching-Gallery roster grows as more portfolio apps ship surfaces
Scale-the-Doubler	Reused novice — ratio scaling (from RatioRealm)
Lever	Reused novice — balancing an equation (from EquationQuest)
Master Hypotenuse	Reused novice — the right-triangle relation (from GeometryForge)
Verb Verity	Reused novice — subject-verb agreement (from GrammarForge)
Skew	Reused novice — bias, the glass-box AI-literacy showcase (from AiForge)
